

Limited Quantities (LQ) Guidance

These are allowed UK Domestic Mainland Only but not by SEA or AIR.

All these **MUST** be in an inner receptacle and inside a box.

SINGLE CONTENTS (numbers relative to contents)

REMEMBER:

LQ Goods are still hazardous and must be packed, labelled and stowed correctly to minimise the risks in transport.

These indicate fully regulated Dangerous Goods and cannot be accepted through the network.

For clarification on LQ or Dangerous Goods please ring APC Hub on 01922 702536
